

KICK IT OUT PARTNERSHIP CONTINUES

19/08/2021

The Co-op Lincolnshire Women & Girls League are proud to announce the second of three charity and community partners for the upcoming 21/22 season. The second announcement focusses on our ongoing partnership with Kick it Out, an organisation that our committee were delighted to work with in 20/21 and are looking forward to developing our relationship in 21/22 .

Kick It Out is English football's primary equality and inclusion organisation. Working throughout the football, educational and community sectors to challenge discrimination, encourage inclusive practices and campaign for positive change, Kick It Out is at the heart of the fight against discrimination for everyone who plays, watches or works in football.

They have worked closely with the league to award us Equality Chartered Status for a second season running and with a number of our member clubs to award them for their commitment to an equal playing field for all. Throughout the season they will be in touch regarding further education opportunities for clubs, volunteers, spectators, parents and guardians and players and will have lots to contribute to the coming 12 months.

Until then, we encourage you to take part in Kick it Out's #TakeaStand campaign; a call to action initiative, encouraging people across the football community to take an action or make a pledge, in the fight against discrimination. You can read more about that on their web page.

We also encourage all those involved in the game to report any abuse that they see, hear or experience via the Kick it Out app.
